## GOLD MINE TOUR

Dear Camper,

As an ADDITIONAL ACTIVITY for this year's camps, we are offering a GOLD MINE TOUR of the Molly Kathleen Mine in Cripple Creek, Colorado. On this hour long tour, you descend 1,000 feet underground, walk through mine tunnels, ride a tram, learn about the history of gold mining techniques, and get a gold ore sample at the end.

The cost for this tour is \$25.00 per person. If you would like to participate in this activity, please fill out the form and return it with payment, made out to RMSC, to the camp office.

Thanks!

---
