Dear Youth Soccer Organization,

I would like to take this opportunity to invite you to participate in an exciting, unique partnership program that we are offering called *SELECT SOCCER SOLUTIONS*. Since 1971, the Rocky Mountain Soccer Camp has been providing high quality soccer instruction for youths aged 5 through High School. Throughout this time the RMSC has also been an innovator in developing new and creative methods, programs and formats for teaching the game of soccer to young players.

We have now taken the BEST of these ideas and created an affordable year-round program designed to help youth soccer organizations who may be smaller in size or are just in need of some direction. *SELECT SOCCER SOLUTIONS* is ideal for clubs who may not have the coaching resources within their communities to provide experienced, professional training for their players, who may not see “the big picture” or who do not have a plan for overall soccer development within their association. This program also provides your club with a comprehensive agenda for the education of the adults in your organization, from all inclusive coaching clinics to a detailed plan for parent involvement and education.

Most importantly, weaving its way throughout the entire process will be an emphasis on using soccer as a vehicle to teach many valuable “life skills” to all players, coaches, board members and parents. Sportsmanship and integrity are stressed, along with respect, discipline and responsibility. We hope that along with helping to create an efficient and effective youth soccer organization and happy, outstanding soccer players, we will also be assisting to develop responsible, caring, and productive *people*.

One of the biggest advantages for the individual organization is that we can tailor the *SELECT SOCCER SOLUTIONS* program to fit the needs of your club. We can design a specific plan based on your numbers of players and coaches and with what you are trying to accomplish. If you are not sure what you are trying to accomplish, we can help out with that as well! Regardless, we will provide you with exceptional coaching, training, and guidance at all levels.

Please look through the enclosed information carefully, which includes an outline of what we are offering and a breakdown of the costs involved. I believe that after reviewing the material you will see that *SELECT SOCCER SOLUTIONS* is an extremely good value. Knowing the quality of the RMSC staff, the years of experience that are behind it, and the credibility, reputation and respect that the Rocky Mountain Soccer Camp has within the national soccer community, I am confident in saying that you will not be disappointed in our product.

Feel free to contact me at any time with any questions or to discuss the options for a partnership with your club. We will send out a more detailed information packet to organizations who request it and even if you are not interested in a partnership at this time, I would greatly appreciate you passing on the information regarding our summer camps to your players and coaches.
